

## OFATV Privacy Policy

We respect and are committed to protecting your privacy and we want you to feel confident about sharing your personal information with us. That is why we have adopted this Privacy Policy. This Privacy Policy lets you know how your personal information is processed and used. We promise that we will take steps to use your personal information only in ways that are compatible with this Privacy Policy.

- The OFATV will NOT rent or sell your personal information to any other party.
- If you wish us to stop contacting you, just let us know, and after a confirming message, contact will cease.
- Value added membership services will be done directly through the OFATV, or its member clubs, or a third party mailer. Contact information will not be given out.

### What information are you collecting and how are you collecting it?

#### Membership Application:

We collect your contact information submitted on your membership application. We may use your application contact information to send your membership package or notification to you of OFATV news and services by e-mail and/or postal mail. This information will be shared with the OFATV Club you have chosen to join.

#### Internet:

Every computer connected to the Internet is given a domain name and a set of numbers that serve as that computer's "Internet Protocol". The domain name and IP address reveal nothing personal about you other than the IP address from which you have accessed our site. We use this information to examine our traffic and it is collected by 'Urchin Statistics'.

Please keep in mind that whenever you voluntarily disclose personal information online - for example through e-mail, discussion lists, or elsewhere - that information can be collected and used by others. In short, if you post personal information online that is accessible to the public, you may receive unsolicited messages from other parties in return.

Ultimately, you are solely responsible for maintaining the secrecy of your personal information. Please be careful and responsible whenever you're online.

What other information do you request?

We may also request your e-mail address or mailing address for the purposes of conducting a survey or to provide additional services (for example, subscriptions to e-mail newsletters, announcement lists or information about conferences and trade shows). We maintain a strict "No-Spam" policy that means that we do not sell, rent, or otherwise give your e-mail address to a third-party.

When you register for a contest or other promotion, we may ask for your name, address, and e-mail address so we can administer the contest and notify winners. We reserve the right to publicize the winner's names and photo's for promotional purposes.

### Will you disclose the information you collect to outside third parties?

The OFATV will disclose personal information and/or an IP address, when required by law or in the good-faith belief that such action is necessary to:

1. Cooperate with the investigations of purported unlawful activities and conform to the edicts of the law or comply with legal process served on OFATV,
2. Protect and defend the rights or property of the OFATV.

If you ever have any concerns about how we use information you share with us, please email us at [info@ofatv.org](mailto:info@ofatv.org)
